

Dear Valued Business Banking Customer,

Your business is a key contributor to the success of our community through job creation, innovation and the many ways you give back to the community. When businesses are growing, everybody benefits. First State Bank of Bedias has always had a passion to support business owners like you.

We would like to introduce you to our new, FREE, electronic check & ACH recovery service called Checkmarc. Checkmarc is a service that works to recover dishonored checks and electronic payments. It eliminates the time you spend trying to recover bad checks, so you can concentrate on business, not collections.

We will provide Checkmarc to every commercial client at no additional cost to you! Enrollment is automatic, and you'll never receive a bill of any kind. If you have any questions about Checkmarc, please contact customer service at 936.395.2141.

Receive 100% of the face value on all recovered items!

- ✓ FREE service, NO equipment fee, NO set-up fee
- ✓ Dedicated customer service team for all inquiries
- ✓ FREE, secure website with 24-hour status on all in-process items

NOTE: Upon enrollment, a Checkmarc representative will contact you to secure an email and/or fax number so notifications can be sent when dishonored items are entered into recovery.

At First State Bank of Bedias, we support business. Checkmarc is another way we can help make yours more profitable.

Thank you for your patronage. We sincerely appreciate your business.

If you **do not** wish to participate in our **free** Checkmarc electronic check recovery program, or are currently paying a 3rd party for a similar service, please fax this form to 936-395-2730 by Friday, July 13, 2012.
